SANDBLAST SUITS

ULTRALIGHT AND LEATHER

Engineered for Comfort, Protection & Productivity

Kresco offers a range of superior quality blast suits designed to produce the ultimate protection for workers, while increasing the comfort and productivity. We all know sandblasting can be a very harsh environment and demanding for workers. A properly designed suit for protection will allow workers to move freely and blast safely in order to maximize productivity.

Ultralight Sandblasting Suit

Designed for light-duty environments and ultimate comfort. Made of heavy-duty braided nylon on front and breathable cotton on back to help keeping the operator cool.
